

Do Well While Doing Good

For over 20 years the Certificate of Participation investment of the Kansas Area United Methodist Foundation has funded the growth and expansion needs of the Great Plains Annual Conference. With your help, we have loaned money to build, expand, repair and refurbish churches across Kansas, and now Nebraska.

Where do the loan funds come from? From churches and individual investors like you. Your investment in a Certificate of Participation earns interest at a higher rate than most banks offer through CD or Money Market accounts. At the same time, your money helps churches stretch their dollars by funding lower than market rate loans. It is a win-win for all of us.

Any Kansas or Nebraska United Methodist resident, agency, or church may open a Certificate of Participation for a minimum investment of \$1,000.

Simply request an offering circular online at www.kaumf.org or contact us at foundation@kaumf.org.
